

## THE GIVING MACHINE

The Giving Machine is a non-profit online fundraising website that enables online shoppers to give cash donations to **TRING SCHOOL FOR FREE**

### HOW IS IT FREE?

When you want to buy online you go onto the required website via THE GIVING MACHINE, a sales commission (anywhere from .5%-5% of total purchases) is received from participating shops, this is converted into a donation and sent to Tring School

You are buying the same products, at the same prices, on the same shopping websites as if you went direct but the difference is by shopping this way you are giving a free cash donation at no extra cost to you personally

Other local schools have raised in excess of £1000 by simply shopping

**To get started you just need to register and you can start shopping and help raise funds for TRING SCHOOL**
