

Activities Week Programme 6 – 10 July 2009

Welcome to an exciting week of in house activities and day trips. You will be pleased to know that school uniform is not required but you do need to bring your PE kit for the in school sports activity held every day and sun screen, hats and long sleeves will hopefully be essential wear throughout the week!

Registration – if you are involved with **In School** activities you will be required to register each morning in the Dining Room so please sit in your group rows (see next item). Year 12 will register in the Sixth Form Centre. If you are on a **Day Trip** you will need to register in the Learning Centre where your Trip Leader will provide you with information about the trip before taking you to the coaches at the front of school (BBC trip students will need to be in the Learning Centre at 8.00!).

In School activities – your name will appear in one of the four groups for the day, A, B, C and D which will be pinned to the House noticeboards in the Dining Hall. Venues, facilitators and sequence of activities are all listed below, so make sure you keep this leaflet with you throughout the week.

This is how each day is structured:
