Dear Parent/Carer and student

We would like to take this opportunity to thank those of you who attended our recent Post 16 Presentation Evening.

We hope that you found the presentation and subject fair both informative and helpful in making your choices for the next stage in your son/daughter's education. All the relevant information regarding the evening can be found on the Post 16 area of the school website under Entry into Sixth Form and the parent section of Moodle. We have also added an additional resource 'Making Informed Choices' which you may find useful.

We are constantly reviewing students' subject combinations. Once we have received all of the applications we will in a position to review the option block combinations. To enable us to review the blocks effectively we rely on the students to complete the application online and provide information of any clashes. Below please find a reminder of the timeline:

From 29 November 2011	Applications open for students via Moodle
13 January 2012	Deadline for applications (any applications after this date will not guarantee a place on the chosen courses)
6 February - 23 March 2012	Individual appointments with the Sixth Form Team
28 June 2012	Tring Sixth Form Induction day
23 August 2012	GCSE results day

We are really looking forward to working with next year's Sixth Form intake and should you have any questions or require any support, please do not hesitate to contact us.

Yours sincerely

Heather Golla
