Dear Parents of Tring School

We are writing to tell you about the Head Girl/Boy Team Charity Week that is taking place from 6 - 10 February. The whole week is dedicated to raising money for charity.

One of the charities we have chosen is the Hospice of St Francis and the other will be one of the following: Cancer Research, Tring Lions Club or NSPCC. As part of our student involvement legacy, the charity will be chosen by students using our student involvement boxes (a little like the Waitrose collection boxes). There will be an assembly where students will be told about the three charities and then they will choose one by putting a token and in the box of their choice.

These boxes are a new addition to the school and will be used for future student involvement questionnaires or choices for the school. They will also be a physical representation of the House standings in Reception.

Each House has their own day during Charity Week where they will be organising an event to raise money.

- Monday 6 February - Waddesdon with teachers doing Strictly Come Dancing
- Tuesday 7 February - Halton with their army day with an assault course and the quest to find the most toy green soldiers
- Wednesday 8 February - Claydon with Mr & Mrs
- Thursday 9 February - Ascott with their Band Stand with various performances

On Friday 10 February, it's the big one... there will be stalls in the Desborough Hall, along with inflatables, fairground mini-games, busking around the school, Krispy Kremes, Papa John's pizza, drinks. It will be a non school uniform day; the Gazette will be there and there will be loads of prizes to be won.

At the end of lunch there will also be a Balloon Race. We are selling balloons at £1 each. First prize for the balloon that goes the furthest is an iPod. There are also other prizes to be won such as various vouchers, chocolates etc.

We would really appreciate it if you would encourage your children to take part in the events throughout the week and also in buying balloons. If you would like to buy some balloons then please fill out the form below. This not only benefits the charities but also helps to create a buzzing fundraising atmosphere that we have worked so hard to create.

Thank you for your continued support
