

Laughter is loudest where food is best

Free LUNCH

It's amazing how so many times we hear the word 'Free' only to find out that what it actually means is not 'Free' after all!

But the great news is that when the Good Fresh Food Team says 'Free' we honestly, really mean it!

But that's not all; the successful applicants will be able to enjoy great tasting, nutritious Good Fresh Food every day – completely free of charge for up to 190 times a year!

So when we say free we actually mean free 190 times over!

The way families apply for free school meals in Hertfordshire has changed, making it faster and easier to apply than ever before.

If you receive benefits, your child could be tucking into a tasty free school meal.

Did you know that, in most cases, you now don't need to give any paper proof of Benefit* when applying for free school meals?

We can now check if your child can get a free meal by simply checking your:

- Name • Date of Birth
- National Insurance Number or National Asylum Seekers Service Number

You may also be surprised to learn that for every student who successfully claims for a great tasting school lunch, the school they attend will be awarded extra money from the Government too! So not only do students win, but the school they attend also benefits from having extra financial help, which is great news for everyone!

If you would like more information about how easy it is to help yourself to something truly free, which will also benefit your child's school, then please call **0300 123 4048** or visit **<http://www.hertsdirect.org/services/edlearn/canhelp>** for more information and to apply - it's as easy as that!

* In a small number of cases we may need to ask you to provide paper proof of benefit
