4 January 2012

Dear Parent/Carer

Mathematics GCSE Revision Resources – Year 10 and Year 11

We are able to offer some recommended revision resources for your son/daughter. Students may already be familiar with the Mathswatch DVDs which are used in some lessons – they provide a mixture of short teaching clips, together with some practice examples. Previous students have found these to be an invaluable revision aid. The latest version contains all Foundation and Higher topics. You can purchase an individual copy for your son/daughter for £4.00.

The Collins Revision Guides provide an excellent summary of key topics and worked examples. Additional practice and exam-style questions are integrated into the Guide. Students may ask their Maths teacher to view the guides before deciding whether to buy or not. These books retail at £9.99 each, but are available at a discounted price of £4.50.

There are two tiers available for the books: Foundation and Higher. Your son/daughter should be aware of which version they require – if in doubt, they can consult their Maths teacher.

If you would like to order any of these revision aids, please complete the tear-off slip below and return in a sealed envelope to the Finance Office, indicating either that you have paid via the Internet Payment facility or are enclosing cash or a cheque for the requisite amount, made payable to Tring School, by Tuesday 17 January 2012.

Yours sincerely

Mrs C Cramer
I/C Key Stage 4 Maths

Mathematics GCSE Revision Resources – Year 10 and Year 11

My son/daughter in Year **10 / 11***

in (teacher's name & set) would like:
