17 November 2011

Dear Parent/Student

Year 11 Enterprise Day – 1 December 2011

The aim of the day is to 'turn a scientific material/product into enterprise'.

Innovative Enterprise will be coming into school to provide workshops for Year 11 students which will involve them producing a soap product and promoting it for different markets – babies, sports and games, glamorous life, gardening or working life. Within these workshops, students will be working as part of a team and will be developing skills which will make them more 'enterprising'.

The facilitator delivering the workshops is very dynamic and the workshops are well organised and fun. However, as an ambassador for Tring School, students will be expected to behave in a polite and responsible manner, showing the maturity which is expected of Year 11 students. Students are expected to dress in school uniform and bring a calculator, pen and pencil case.

Students in Ascott and Claydon will participate in a workshop during periods 1 and 2 and Halton and Waddesdon during periods 3 and 4 and then during period 5 the whole Year Group will take part in a 'Dragon's Den' activity. All activities will take place in the Desborough Hall and students will be informed of which team they are in by their tutors.

Following the morning sessions, four winning teams will be selected from each workshop and these teams will present their ideas to the 'Dragons' in period 5. The 'Dragons' will then select an overall winner for the day.

We look forward to working with you on the day.

Yours sincerely

Andrew Dobberson
Assistant Headteacher
