8 September 2011

Dear Parent/Carer

Homework Club

In order to support our students with the completion of their homework I will be re-launching Homework Club. This will run every Wednesday between 3.30 and 4.30pm in the Learning Centre. I will attend all sessions so that I may support students that might need some help and to ensure there is a quiet working environment to aid concentration. I am hoping to encourage some of our sixth form students to attend so that they might also provide support for younger students.

If you would like your son/daughter to attend these sessions please let me know and I will communicate with them directly about their attendance. The first supervised session will take place on Wednesday 14 September and then each subsequent Wednesday at the same time and in the same place.

On a more general note, if you have any questions or concerns at any point during the year regarding homework please email me using the address below. The Tring School Homework Policy, Department Homework Policies and Homework timetables can be found on the School website. Click on 'Student +' for the timetables and 'About us +' for policies.

Yours sincerely

Mr S McEvoy
