30 September 2011

Dear Parents/Carers,

I want to communicate a consistent message for all students when they arrive at school each morning and your help in reaffirming the following message with your children will be gratefully appreciated.

When students arrive at school in the morning **they must then stay on school site**. I do not want students arriving and then walking off site because they feel they have time to do other things such as going to Tesco or the skate park before returning for registration. This is not acceptable. Whilst this might appear as an innocent activity before school starts, I cannot condone it because it presents a safeguarding issue. My expectation is that when your child arrives at school via bus, being dropped off by you or walks to school, they will then stay at school. The only exception to this is when year 11's currently have permission to leave the site at lunchtime (having completed the parental consent form).

The 6th form students have different privileges and they know the signing in and out procedure.

I hope that you will speak to your child about this matter and support the school in its quest to keep your child safe. To assist with this we will have senior staff at key points ensuring that students do not leave the site first thing in the mornings.

Thank you in advance for supporting the school in this matter. Meanwhile, I hope I get to see many of you tomorrow on the Ashridge Amble!

Kind regards

Sue Collings
Headteacher
