Fantastic - great to have you with us at Goldfield - come back anytime

..... a pleasure to have around. Used her initiative at all times and carried out her duties efficiently.

..... he has fitted in with the team well and takes on any tasks asked of him. It has been a pleasure to work with him.

Took instruction extremely well and had a friendly and positive manner

Did very well working with our new chef. Has been offered a part time job.

Fantastic worker - maybe even a chef!

Very good with the children, used her initiative and worked confidently with everyone.

Mature, responsible, flexible and versatile, and she has helped with complicated admin tasks ... good with adults and children

Started off nervous but gained confidence as the week went on

Staff he has worked with were all impressed with him - well done

## Work Experience Comments by Students

Enjoyed learning new skills, workmates were great

I really liked my workmates and meeting new people

It was really busy at lunch time! (worked at Burger King)

The work was mostly fun but also very tiring

You were treated more like an adult and had more responsibility

I learnt about working independently and in a team
